Fatal accident at Saddleworth.

Mr. R. Bidgood killed — JUNE 8TH. 1906.

On Monday morning an accident occurred by which Mr RICHARD BIDGOOD an old resident of the district and well known as the Saddleworth to Kapunda mail contractor lost his life. He was driving a party of 15 young people connected with the Christain Endeavour movement to a gathering at Clare in a trolley drawn by 4 horses.

Shortly after leaving the town the traces became unhooked while the team was going down an incline and the horses got out of hand. Mr Bidgood was thrown out and the wheels passed over his chest. He succumbed to the injuries in a very short time.

Mrs Bidgood had left for Victoria by the morning train and was overtaken by wire at Gawler..

The deceased was well known in this and Marrabel, Riverton, and kapunda districts and his untimely, and sad end is deeply regretted.

The Christian Endeavorers of Clare and district held an all-day convention on Monday last.

The Clare footballers visited the Burra on Monday, and were easily defeated by the local players.

The winter ball of the Clare Quadrille Class will be held in the Town Hall on the last Wednesday evening in this month.

Mr. Harold Stacy, of the Clare post-office, will leave this town during the week on a holiday visit to Sydney.

Mr. Richard Bidgood was thrown from a trolley near Saddleworth on Monday, and killed.

A FATAL ACCIDENT.—On Monday last a fatal accident occurred to Mr. Richard Bidgood, an old and respected resident of Saddleworth. He was engaged in driving a trolley load of people to the Christian Endeavor Convention at Clare, and soon after leaving Saddleworth while going down an incline his horses became uncontrollable and bolted, with the result that he was thrown off the trolley and two wheels went over him. The trolley shortly afterwards ran into a bank. Medical assistance was sent for, but Mr. Bidgood expired before aid arrived.

R. G. DAWSON,
27 Pool St. BIRDWOOD, S. A. 5234
15th November, 1992.

The District Clerk,
Saddleworth District Council,
SADDLEWORTH.

Dear Sir,

In 1928 my father, F.G. Dawson, who died in 1962, took out leases on six grave sites in the Saddleworth Cemetery.

Only one of these sites has been used. I have consulted with my surviving sister and brother, and none of us wish to ever avail ourselves of any of these burial plots, and we have decided that it is only reasonable that we relinquish the leases of the remaining five sites, which I understand are numbers 529, 531, 478, 479, and 480.

It may well be that there are other people who would like to secure these plots.

Yours faithfully,

R. G. Dawson
(R. G. DAWSON)
